Fuchs Mizrachi School is a community driven by a passion for Torah Values, Religious Zionist Ideals, and the pursuit of Excellence in General and Judaic Learning and Leadership.

# 4 Core Values

- Torah
- Learning
- Israel
- Leadership

# Our Values

## Commitment to Torah Values and Shmirat Mitzvot

At Mizrachi, we've created an environment that enables our students to develop meaningful relationships with Hashem through the pursuit of Torah Learning. Students are inspired to fill their lives with passionate commitment to mitzvot. They are motivated to approach all their endeavors guided by Torah values, derech erez, responsibility, and integrity.

## Excellence in Torah Learning and General Studies

We are dedicated to delivering excellence in Torah and General Studies to prepare children for life and responsibilities as Torah Jews. Our teachers have been carefully selected and trained to educate, inspire, and motivate our students, enabling them to achieve intellectual, religious, and emotional growth, and success.

## Dedication to Religious Zionism and Medinat Yisrael

Dedication to Medinat Yisrael is at the core of our identity and inspires everything we do. Our students are educated in Hebrew and filled with passion for Israel through formal classes and experiential education Israeli faculty (Shlichim). This commitment has become the cornerstone of Religious Zionism in Cleveland.

## Realizing Potential and Inspiring Leadership

We are passionate about helping each student grow and develop their own purpose for their life as a Torah Jew, a Religious Zionist, and an engaged member of the community. Driven to create a community of learners, we are dedicated to supporting thoughtful and caring young men and women with a deep commitment to Torah and Mitzvot and to improving the world around them.

# Genshaft Early Childhood Program

2-year Old Nursery – Kindergarten

We believe that young children learn through doing and the process of play. That's why our Early Childhood Program focuses on helping children make sense of the world around them through art, music, literacy, exploration of scientific and mathematical ideas, dramatic play, and building with manipulative toys. Students emerge equipped with the skills to be successful in all aspects of learning.

# Lower School

Grades 1 - 5

Our Lower School offers just the right balance of academic, religious, emotional, and social opportunities for students to grow and develop their passion for Torah, intellectual skills, and love for Medinat Yisrael. Throughout the Lower School experience we offer children opportunities to use their minds, to discover the world around them, to become creative problem solvers, and to develop their critical thinking skills.

# Junior High School

Our Junior High students thrive in the rigorous dual curriculum designed to stimulate their academic, emotional, and religious growth. The Junior High School provides a dynamic learning environment that fosters individual development, intellectual curiosity, and academic excellence. Our teachers are passionate about their roles as academic instructors as well as religious guides.

Grades 6 - 8

# Stark High School

Grades 9 - 12

Our High School inspires, challenges, and supports our young men and women as they develop the skills necessary for their future success. We offer a wide variety of courses, including comprehensive honors Judaic and General Studies and advanced placement classes. Our state-of-the-art facilities make it especially fun to participate in our broad and inclusive sports program, volunteer opportunities, and internships. When our students graduate, they are ready to succeed in the most challenging yeshivot, midrashot, and universities.

# Stone Campus

## State-of-the-art Facilities

- Two Batei Midrash
- Cutting edge art, science, and computer laboratories
- Two gymnasiums
- Modern outdoor play area
- LEED-certified building

We are honored to be located in a state-of-the-art, LEED-certified building with cutting-edge technology and science facilities on the 30-acre Irving and Beatrice Stone Campus in Beachwood, Ohio. Our expansive, two-story lobby bustles with activity as it connects each wing of our school. Natural light blankets our two Batei Midrash and the architectural beauty embodies our core values: Torah, Learning, Israel, and Leadership.

## Israel Study & College Success

We are proud that over 90% of our graduates continue their education in Israel. Our Rosh Yeshiva and Israel guidance staff help students identify the finest and most demanding institutions that will enable them to continue their religious and academic journey.

Over 75% of our students are accepted to top 50 universities upon graduation. As a college preparatory school, we diligently prepare our students for the academic and emotional challenges facing them after graduation. Our expert college guidance counselor meets with each student and their family to assess their abilities and goals, and recommends appropriate matches.
